Midterm Exam Reflection

1) About the exam--Was it what you expected? Are you satisfied with your grade? Were you well prepared? Did you use your *Glossaire* and note card? How helpful did you find them? Will you do anything different to prepare for the final?

2) What would you like me to know about you as a student that will help us to have a successful semester?

Please come see me in my office if you have any questions about the exam or your grade.
